HUB PLASTICS, INC.

and

Case 9--CA--28463--1

INTERNATIONAL BROTHERHOOD OF
ELECTRICAL WORKERS, LOCAL 2020,
AFL-CIO

August 13, 1991

DECISION AND ORDER

By Chairman Stephens and Members Devaney and Oviatt
On May 29, 1991, the General Counsel of the National Labor Relations

Board issued a complaint alleging that the Respondent has violated Section 8(a)(5) and (1) of the National Labor Relations Act by refusing the Union's request to bargain following the Union's certification in Case 9--RC--15643. (Official notice is taken of the "record" in the representation proceeding as defined in the Board's Rules and Regulations, Secs. 102.68 and 102.69(g); Frontier Hotel, 265 NLRB 343 (1982).) The Respondent filed its answer admitting in part and denying in part the allegations in the complaint.

On July 10, 1991, the General Counsel filed a Motion for Summary Judgment. On July 12, 1991, the Board issued an order transferring the proceeding to the Board and a Notice to Show Cause why the motion should not be granted. On July 25, 1991, the Respondent filed a Motion for Summary Judgment and a memorandum in response to the Notice to Show Cause.

The National Labor Relations Board has delegated its authority in this proceeding to a three-member panel.

Ruling on Motion for Summary Judgment

In its answer the Respondent admits its refusal to bargain, but attacks the validity of the certification on the basis of its objections to the election in the representation proceeding.

All representation issues raised by the Respondent were or could have been litigated in the prior representation proceeding. The Respondent does not offer to adduce at a hearing any newly discovered and previously unavailable evidence, nor does it allege any special circumstances that would require the Board to reexamine the decision made in the representation proceeding. We therefore find that the Respondent has not raised any representation issue that is properly litigable in this unfair labor practice proceeding. See Pittsburgh Plate Glass Co. v. NLRB, 313 U.S. 146, 162 (1941). Accordingly, we grant the General Counsel's Motion for Summary Judgment, and deny the Respondent's Motion for Summary Judgment.

On the entire record, the Board makes the following

Findings of Fact

I. Jurisdiction

The Respondent is a corporation engaged in the manufacture of plastics at a facility in Blacklick, Ohio. During the 12 months preceding the issuance of the complaint, a representative period, the Respondent, in the course and conduct of its business, purchased and received at its Blacklick, Ohio facility products, goods, and materials valued in excess of \$50,000 directly from points and places located outside the State of Ohio. We find that the Respondent is an employer engaged in commerce within the meaning of Section 2(6) and (7) of the Act and that the Union is a labor organization within the meaning of Section 2(5) of the Act.

II. Alleged Unfair Labor Practices

A. The Certification

Following the election held on March 29, 1990, the Union was certified on February 26, 1991, as the collective-bargaining representative of the employees in the following appropriate unit:

All production, maintenance and warehouse employees employed by the Employer at its Blacklick, Ohio facility, but excluding all office clerical employees, professional employees, temporary employees, engineer toolmaker, guards and supervisors as defined in the Act.

The Union continues to be the exclusive representative under Section 9(a) of the Act.

B. Refusal to Bargain

Since on or about March 19, 1991, the Union has requested the Respondent to bargain and, since on or about March 27, 1991, the Respondent has refused. We find that this refusal constitutes an unlawful refusal to bargain in violation of Section 8(a)(5) and (1) of the Act.

Conclusions of Law

By refusing on and after March 27, 1991, to bargain with the Union as the exclusive collective-bargaining representative of employees in the appropriate unit, the Respondent has engaged in unfair labor practices affecting commerce within the meaning of Section 8(a)(5) and (1) and Section 2(6) and (7) of the Act.

Remedy

Having found that the Respondent has violated Section 8(a)(5) and (1) of the Act, we shall order it to cease and desist, to bargain on request with the Union, and, if an understanding is reached, to embody the understanding in a signed agreement.

To ensure that the employees are accorded the services of their selected bargaining agent for the period provided by law, we shall construe the initial

period of the certification as beginning the date the Respondent begins to bargain in good faith with the Union. ORDER

The National Labor Relations Board orders that the Respondent, Hub Plastics, Inc., Blacklick, Ohio, its officers, agents, successors, and assigns, shall

1. Cease and desist from

(a) Refusing to bargain with International Brotherhood of Electrical Workers, Local 2020, AFL--CIO, as the exclusive bargaining representative of the employees in the bargaining unit.

(b) In any like or related manner interfering with, restraining, or coercing employees in the exercise of the rights guaranteed them by Section 7 of the Act.

2. Take the following affirmative action necessary to effectuate the policies of the Act.

(a) On request, bargain with the Union as the exclusive representative of the employees in the following appropriate unit on terms and conditions of employment and, if an understanding is reached, embody the understanding in a signed agreement:

All production, maintenance and warehouse employees employed by the Employer at its Blacklick, Ohio facility, but excluding all office clerical employees, professional employees, temporary employees, engineer toolmaker, guards and supervisors as defined in the Act.

(b) Post at its facility in Blacklick, Ohio, copies of the attached

notice marked "'Appendix.'"¹ Copies of the notice, on forms provided by the Regional Director for Region 9, after being signed by the Respondent's authorized representative, shall be posted by the Respondent immediately upon receipt and maintained for 60 consecutive days in conspicuous places including all places where notices to employees are customarily posted. Reasonable steps shall be taken by the Respondent to ensure that the notices are not altered, defaced, or covered by any other material.

(c) Notify the Regional Director in writing within 20 days from the date of this Order what steps the Respondent has taken to comply.
